

The Oxford County Citizen

VOLUME XVIII—NUMBER 26.

BETHEL, ME.,—RUMFORD, ME., THURSDAY, NOVEMBER 7, 1912.

\$1.50 IN ADVANCE.

WILSON AND MARSHALL SWEEP THE COUNTRY.

300 ELECTORAL VOTES TO WILSON, 120 TO
ROOSEVELT, 8 TO TAFT. SEVERAL
STATES IN DOUBT.

Democrats Get Large Electoral Vote, But Small
Pluralities In Competitive States. In This
Respect The Greatest Contest Ever.

The election is over. The expected has happened. Wilson and Marshall have swept the country with Roosevelt and Johnson close at their heels and Taft quite severely in third place.

The latest returns available as we go to press are in no way accurate but are sufficient to give a general impression of the result. Indications are that Wilson has carried Maine by about 2,000 and the other New England states except Vermont which went to Taft as did Utah. Also that Roosevelt carried Pennsylvania, Michigan, Kansas, Illinois, Washington, Oregon and California, receiving 120 electoral votes, Wilson 300, Taft 8, and several states in doubt.

The Bryan vote of four years ago has been tremendously reduced. Roosevelt is a close second to Wilson with Taft a poor third except in a few states where the President takes second.

The Progressives carry Bethel with Wilson second and Taft scarcely in sight of the distance flag.

Oxford County gives Roosevelt a plurality of 148. Roosevelt leads Taft in the County and in the State by about 2 1/2 to 1. The Progressives also lead the Republicans practically 3 to 1 in this Representative class district.

While Wilson has a large lead in the Electoral College his pluralities are so meager in many States, as to give a feeling of, "So near and yet so far," to the man from San Juan, and to place an army of Progressives in a position to be figured with henceforth in American politics.

ELECTORAL VOTE, 1912.

ROOSEVELT CONGRATULATES WILSON.

Shortly before midnight Tuesday night 1912 Theodore Roosevelt made the following statement:
"The American people by a great plurality have decided in favor of Mr. Wilson and the Democratic party. I like all good citizens I accept the result with entire good humor and contentment. As for the Progressive cause I can only repeat what I have already said so many times: The fate of the leader for the time being is of little consequence but the cause itself must in the end triumph for its triumph is the triumph of the people."

WILSON TO MCCOMBS.

Responding to a telegram from the National Democratic chairman indicating that Wilson was undoubtedly elected, the Democratic candidate sent a message to Mr. McCombs as follows:
"I deeply appreciate your telegram and wish to extend to you, and the members of the campaign committee, my warm congratulations on the part you have played in the organization and conduct of a campaign fought out upon essential issues.
"A great cause has triumphed. Every Democrat, every true progressive of whatever alliance, must now lead his full force and enthusiasm to the fulfillment of the people's hope, the establishment of the people's right, so that justice and progress may go hand in hand."

AN ENTHUSIASTIC RALLY AT BETHEL.

Last Thursday Evening,
Torchlight Procession,
Hon. Enosh Foster and Hon.
H. P. Gardder, Speakers
Of The Evening.

Last Thursday evening a Progressive rally was held in Bethel, and Democrats and Republicans alike conceded that it was one of the most enthusiastic political meetings ever held in Bethel.
About 7:30 o'clock a torchlight procession of 125 people headed by a good drum corps from Rumford paraded the streets, which showed at the start that the people were enthusiastic and the large number of people gathered from miles around promised a well filled hall. At 8 o'clock it was necessary to open the gallery and every seat was filled to the limit.

The speakers of the evening were Hon. Enosh Foster and Hon. Herbert P. Gardner of Portland. They were introduced by N. R. Springer and Mr. Foster, a former Bethel man, having lived here for thirty years, was enthusiastically received by his friends. He gave his reasons for changing from a Republican to a Progressive in a clear, concise manner and the audience repeatedly cheered him.

The second speaker, Mr. Gardner, held the closest attention of his hearers from the start and he impressed all as one thoroughly in earnest. When Mr. Gardner finished speaking at 10:35 the hall and gallery were still packed, which is better proof, than anything we might say, of the interest and enthusiasm. The vote in town on Tuesday seems to have blasted the claims made by some of the stand-pats that there were no Progressives in town.
The Jane Adams chorus, composed of some forty ladies, sang the campaign songs and added not a little to the evening.

HALLOWEEN SOCIAL AT BETHEL.

The Halloween social given at the G. A. Gymnasium last Thursday evening by the instructors and pupils of the Academy was a decided success. Much credit is due those who had it in charge.
The gymnasium was appropriately decorated with jack-o'-lanterns, and the booths for fortune telling claimed their share of attention.
The program was as follows:—
Violin and piano duet by Miss Margaret and Blanche Herrick.
March dance in costume by Margaret Herrick and Dorothy Steaton.
"The Witches Brewed," by the scholars of Hallowell Hall was very suggestive of the date.
The programs for the social were so varied with acts and songs and games and dances were greatly enjoyed, all voting it as one of the best they ever attended.

DELIGHTFUL EVENING.

A very delightful evening was spent at about twenty young people at the home of Mrs. E. Valentine, Bethel, last. The Witches Club had as guests the young men of Mrs. Upton's Sunday school class.
Those having the best memories when put to test were rewarded, and when the company was invited to the kitchen to make fudge and pop corn, all were happy and a very merry company it was. The one regret was that Mrs. Upton was unable to be present.

A TRIFLING VARIATION.

A woman entered Gossitt Library the other day, and solicited the assistance of a loan desk clerk.
"I am searching for a book called 'The Devil's Infirmity,'" she said.
"The president of our literary club told me to get it."
"The Devil's Infirmity?" repeated the clerk with a rising inflection, vainly trying to associate such a book with a study class.
"Yes," replied the woman; "its all about devils and angels and such like."
The light of understanding dawned on the puzzled face of the clerk.
"Oh, you mean 'Dante's Inferno,'" she said.

BOULE-STANLEY.

In the Methodist Episcopal church in Bethel, Oct. 29 at 3:15 Miss Bonnie Frances Stanley of Bethel, daughter of William R. and Alma E. Stanley of Bethel, was married to Morton Edwin Boule of Brighton, in the presence of immediate families and a few select friends of the contracting parties.
Miss Frances Carter, a cousin of the bride, played the wedding march by which the couple, attended by Mr. Harry Barton of New York and Miss Alma Swan of Portland, came to the altar, and directly in front of a tank of evergreen. Hoping of evergreen field with white ribbon extended from the tank to the gowns forming an alcove within which the bride couple and attendants stood. Rev. B. E. Fickett, of the Methodist Episcopal church in Bethel, officiated.

The whole decoration consisted of evergreen and bows of white ribbon and was the work of Mrs. Zephie A. Fickett. The bride was very prettily dressed in her going away suit of brown with hat and gloves to match, while the bridesmaid was becomingly attired in blue. After congratulations, Mr. and Mrs. Boule were taken to the hotel by auto. The bride and groom will be at home to their friends after Nov. 13. Mrs. Boule is by profession, a stenographer. Mr. Boule has a fine position as railway mail clerk.

A rather gaily-dressed young lady asked her Sabbath-school class what was "meant by the pomps and vanities of the world." The answer was "Them flowers on your hat."

"Can you prove the proposition that the square of the hypotenuse of a right-angled triangle is equal to the sum of the squares of the other two sides?"

An Irishman came over to this country to find his brother. He had the number (2260 Broadway) and as he was walking along he saw a trolley car go by. On it he read "2260 Broadway." "Begorra," said he, "there's me brother's house running away."

"What're ye comin' home with yer milk pail empty for?" demanded the farmer. "Didn't the old cow give anything?"

"Yep," replied the chore boy; "nine quarts and one kick."

"How do you tell bad eggs?" inquired the young housewife.

"I never told any," replied the fresh grocery clerk, "but if I had anything to tell a bad egg I'd break it gently."

Reasons Advanced by Man Who Wanted to Get Off Bond of Mail Contractor.

The department in Washington received some queer letters. Below is given verbatim a letter received last week by the bureau that has charge of the bonds of mail contractors, from a man who wished to get off a bond. It is unique. The letter contains a valuable suggestion to others who dislike to receive disagreeable news, especially on business matters. The letter tells how he signed the bond merely to oblige a friend and then continues with this personal history:

"I risk my life to go to the lecture this fall I have done all I can for you office men at the White house. As I Wood like if you office men Wood let me out of trouble so I could Rest I had Work one Day for 15 years on coast of Palpatation of the Heart Rose times I can't bare the clock Strike 25 you no My heart is Weak you office Men Do all you can to get Me out of trouble. Be pleasant every morning until
10 o'clock, and the rest of the day will
take care of itself.

Kindness is very like money well
expended in charity; the more we dis-
pend of it, the greater our possession.
—Victor Hugo.

The way of the transgressor is hard
as best, but the travelling becomes
easier with the first turn to the right.

Never a day should be idly
spent, in city, town, or mart,
For somewhere a bird is singing
To cheer each tired heart.

Happiness does not consist of pos-
sessing much, but in hoping and lov-
ing much.

"Careful with fire" is good advice
we know;
"Careful with words" is ten times
more so.
Thoughtless unexpressed may sometimes

But not himself can't kill them when
they're said.

To Prevent Slippers Rubbing the

the heels so that I could not wear
them. After trying various methods
with success, I tried putting a
piece of court plaster or adhesive
on the heel when I wanted to
wear them, and it has never failed to
prevent rubbing that blistered the skin.

To Remove Mud Stains—To remove
mud stains from white goods, dip the
spot in kerosene before putting cloth-
ing to boiler. To remove mud stains
from colored clothing, let it dry thor-
oughly, and then brush off as much
as possible. Then apply a mixture of
salt and flour and keep in a dry place
for a day or two, shake out, and brush
off.

The Woman Who Courts Old Age.
(By Dr. Edith B. Lowry.)

If you would keep young, keep your
mind active. An intellectual back-
number doubles her age. Keep your
mind alert. In some place where you
will meet strangers, or at least people
you do not well acquainted with. If
you occasionally talk with the same
people, you soon learn their opinions
on all topics and there is no pleasure
to be derived from a conversation.
That is why many husbands
find it impossible to keep up
interesting conversation if left
alone for a few hours. Each has heard
the opinions of the other so many
times that there is nothing new to be
expressed. How different this would
be if each had been talking with other
people. Had been reading current
literature and had some new ideas to
express.

A woman owes it to her husband,
to her children and most of all to her-
self to keep mentally active. She is
not doing her full duty to anyone
unless she allows her household tasks to
occupy her entire time. Now do not
misunderstand me and think I would have
her neglect any real duties. That
I suggest from my own experience. But a
woman can keep her house as well, may
be better, if at the same time she

WORTH KNOWING.

Keeps her mind active. So many women
settle down, become household drudges
and lose their attractiveness soon after
marriage. A man appreciates a good
housekeeper, but he always values an
enjoyable companion.

Take a real live interest in the
things about you. Get enthusiastic! It
won't hurt you to get quite excited in
your enthusiasm once in a while. It
is the dull, prosaic life, lived without
interest, that ages one. You need a
change.

Take some exercise. You need it.
Many a woman would like to get out
and play with her children, or the
neighbor's children, but she is afraid
of what the neighbors will say and so
she sits indoors and grows old.

Never mind what your neighbors
say. Do the things you would like to
do and keep your youth. You, and
you alone, are the creator of your des-
tiny. It is you who is growing old.

In order to have time for both men-
tal and physical exercise, plan your
work carefully in the morning and
even avoid hurry, worry and getting
frustrated. Learn self-control, and if
your well-laid plans seem to be going
all awry, take the interruptions coolly.
Do not get in the habit of gossiping
about your past illness. Children for-
get any illness almost as soon as it is
over with, but the older a person is,
the longer she remembers it. A sure
sign of advancing age is to rehearse
the illness or the operation you have
undergone.

Another certain sign of advancing
age is carelessness in dress. A young
girl takes a great deal of pride in her
dress, in its style, its color and its fit-
ting. Aging women are too much in-
clined to dress in the unbecoming col-
ors, in dresses made severely plain.

Finally, to keep young, keep the
thoughts of youth in your mind. Hold
the thought, "I am well, I am happy,
I am prospering, I am YOUNG."

Made My Life

"I feel it my duty to tell others what
Chamberlain's Tablets have done for
me," writes Mrs. L. Dunlap, of Oak
Green, Mich. "I have
suffered with pains in
my back and under
my shoulders for
a number of years,
also with a poor ap-

I tried all of the rem-
edies that I heard of,
and a number of doc-

Finally a friend told
me to try Chamber-

a bottle of them and
they soon helped my
stomach; by their
gentle action my bow-

praising them to all
who suffer as I did, for
they have cured me and made my life
worth living."

After hearing the case Judge McCarthy sentenced the men to ten dollars and costs, which they paid.

A crazy man escaped from the town farm this week and Officers Niles and Small started out to look for him. After driving some distance and going through quite a piece of woods they found him in the back kingdom at Mexico. THE KIND SHE WANTED.

A charming young woman walked into the First National Bank few days ago, and, stepping up to the window, she said:

"I should like to open an account at this bank, if you please."

The teller gazed at her admiringly, and replied:

"We shall be very glad to accommodate you. What amount do you wish to deposit?"

"O," she said, smiling, "I mean a regular charge account. You know the kind I mean, such as I have at the department stores."

Hear The Testimony of Rumford Falls People and Decide the Case.

Doan's Kidney Pills are on trial—are being tried every day for weak kidneys—for exhausting kidney backaches. What is the verdict? Read Rumford Falls testimony—personal experiences of Rumford Falls witnesses.

There can be only one verdict—a chorus of approval.

John M. Harlow, R. F. D. 1, Rumford Falls, Me., says: "I am glad to have my name used in recommending Doan's Kidney Pills, as I believe them to be the best of all kidney remedies. I hope others suffering from kidney trouble will give them a trial. I was quite miserable about two years ago, suffering from an attack of kidney trouble. There were pains in my back and the kidney secretions were very unnatural and irregular in passage. I lost considerable weight, due to poor rest and I had to arise many times during the night. Reading of others who had been cured by Doan's Kidney Pills, I tried them and in less than two months I was cured. I have had no return of the trouble."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

WOMEN SHOULD BE PROTECTED

Against So Many Surgical Operations. How Mrs. Bethune and Mrs. Moore Escaped.

Sikeston, Mo.—"For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like I, too, I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."—Mrs. DEBRA BETHUNE, Sikeston, Mo.

Murrayville, Ill.—"I have taken Lydia E. Pinkham's Vegetable Compound for a very bad case of female trouble and it made me a well woman. Health Talks.

By Dr. True. We must trace sickness back to its source. We must ask the question, "Whence comes my sickness?"

My practice as a physician showed that nine-tenths of human sickness, from infancy to old age, comes from stomach or bowel being out of order.

Headaches, tired feeling, nervous depression, weakness, spots before the eyes, and loss of sleep, irritability, dizziness and many other signs of sickness stop if you treat the stomach and bowel right and get them into working order.

Look first to the stomach and bowels. Get them working right and health will be yours.

My prescription, known as Dr. True's Elixir, has done wonders for sick people, because it is the one remedy that you can rely on to set things right in the stomach and bowels.

Cost 35c, 50c and \$1.00 and is sold by all druggists, big or little, everywhere. Druggists, as a rule, are very honest. They do not try to substitute something else for Dr. True's Elixir, because they know its value. Many druggists use it for their own families, for children or grown people.

DEMOCRATS SWEEP THE COUNTRY

An Overwhelming Victory For Wilson and Marshall

FIVE NEW ENGLAND STATES TURN ABOUT

For Again Wins in Massachusetts, Carrying With Him the First Democratic Lieutenant Governor in State's History—New Hampshire Doubtful—Hawaii Re-elected Governor of Connecticut—Wilson Will Have Forty-Five Electoral Votes of Empire State—Democrats Make Great Gains in Ohio—Some Western States Show Leaning Toward Bull Moose Ticket

The election of Governor Wilson of New Jersey as president and Governor Marshall of Indiana as vice president by a safe majority of electoral votes has been made certain by incomplete returns received from the country at large up to this morning.

WOODROW WILSON

The executive department of the national government has been placed in Democratic power for the first time since 1897, when Governor Cleveland retired in favor of William McKinley in New England, then throughout the Republican ranks, Vermont alone gives its vote to President Taft, and that only by about 1000 plurality over the Progressive party.

New York is overwhelmingly Democratic, and the same is true of Maryland, Indiana, West Virginia and probably Wisconsin, Minnesota and Iowa.

THOMAS W. MARSHALL

Democrat carried Alaska and Michigan, while the returns indicate that he is leading Pennsylvania by a small margin over Wilson. Taft is in a tight race in the Progressive west and in the West. Oregon and Washington, but outside of these states Wilson has probably won except in Utah, where Taft returns were the victor.

The return of the country will decide whether that Roosevelt has beaten Taft by a plurality of 100,000. The president has ordered the most defeat of any president who ever ran for re-election.

Democratic national headquarters state the following states as certain for Wilson:

Alabama, Arkansas, Connecticut, Delaware, Florida, Georgia, Indiana, Kentucky, North Carolina, Maryland, Massachusetts, Minnesota, Missouri, Montana, New York, South Carolina, Tennessee, Texas, Virginia, Oklahoma, New Mexico, Mississippi, West Virginia, New Jersey, with a total of 291 electoral votes, but to this can be added Maine, Rhode Island, Nebraska, Minnesota and Ohio, making the Wilson victory imperative.

BAY STATE FLOPS OVER

Surprise Over the Majority For Wilson and Walsh

Boston, Nov. 6.—For the first time in its history yesterday Massachusetts was carried by a Democratic candidate for president.

Woodrow Wilson of New Jersey swept the state, with President Taft leading Colonel Roosevelt by a narrow margin on the returns at 4 a. m. Governor Foss was re-elected, winning by a plurality of nearly 30,000 votes and defeating the Republican candidate, former Speaker Walker, and Charles W. Hild.

EUGENE N. FOSS

Stand 1 World of Springfield was elected lieutenant governor, defeating Lieutenant Governor Robert L. Luce, who in the first Democratic lieutenant governor to be elected in the state.

The Republicans got a bad beating all over the state. In Boston Roosevelt was elected to Wilson and Hild ran second to Foss.

The legislature was in doubt up to an early hour this morning, with both the Republicans and Democrats claiming a majority.

The entire Republican fight was centered on the legislature in an effort to save the United States senate from the wreckage. Major Fitzgerald was made the target.

In the entire state apparently the Republicans only succeeded in capturing four members of the legislature, although there is a possibility of their securing at least two more.

The latest figures show that there will not be a difference of more than ten votes in the strength of the two leading parties in the legislature.

The Republicans also succeeded in holding the majority of the congressional district.

It appears that the Democrats have only succeeded in capturing six out of the sixteen districts. Congressman Thayer, Democrat, was defeated by Samuel A. Winchester, Republican, in the fourth district.

In the Lynn district Michael P. Finner, a Democrat, defeated Frank

P. Bennett, Jr. Congressman Harris was apparently defeated by Edward Gilmore, Democrat, in the fourteenth district. In the new Sixteenth district Thomas C. Thatcher defeated William J. Bullock of New Bedford, the Republican nominee.

THE VERMONT VOTE

Taft and Roosevelt Run Close, With Wilson Third Man

White River Junction, Vt., Nov. 6.—President Taft was the winner in Vermont by a plurality of 221 over Roosevelt. Taft received a total of 23,247 votes, Roosevelt 22,523 and Wilson 15,277. The complete vote of the state was received here by midnight.

An analysis of the returns shows that Roosevelt received the largest support in the farming districts, where Taft's Canadian reciprocity policy was said to be unpopular. The cities and larger towns contributed heavily to Taft's strength. While the president carried the state by only 624 votes, Governor Fletcher had a plurality of 10,494 in September.

IN PINE TREE STATE

Taft Vote of Four Years Ago Is Cut More Than Half

Portland, Me., Nov. 6.—For the first time since the Civil war, Maine Democrats helped toward the election of a Democratic president. If returns received from four-fifths of the state prove correct.

The standing, with returns from 400 out of 521 places, was: Roosevelt 45,567, Taft 25,028, Wilson 18,026. Wilson's plurality 4769.

The same places four years ago gave Bryan 25,485 and Taft 21,101—a plurality of 27,713.

These returns show a Republican vote of 25 percent and a Democratic vote of 44 percent, while the vote of the leading three parties was 13 percent in excess of that shown four years ago for the Republicans and Democratic candidates.

IN DOUBTFUL COLUMN

Contest in New Hampshire Appears to Be Very Close

Concord, N. H., Nov. 6.—President Taft's apparent lead, claimed last evening, was greatly reduced by later returns, and the state is in doubt.

The contest between Webster and Fether for governor is also a close one, and the indications are that there has been no choice by the electors. A majority of the popular vote is necessary for a choice under the laws of New Hampshire, and when there is no majority the contest is

settled by the legislature. The new legislature will be Republican. The contest for congressman in the two districts of the state is uncertain.

The defeat of Congressman Sullo-way and Currier, Republicans, seems probable. Changes in the ballot laws made the counting of the votes a slow process.

DOUBT IN RHODE ISLAND

Green Running Close Race With Pothier For the Governorship

Providence, Nov. 6.—All indications point to the state swinging into the Democratic column for the first time since the Civil war.

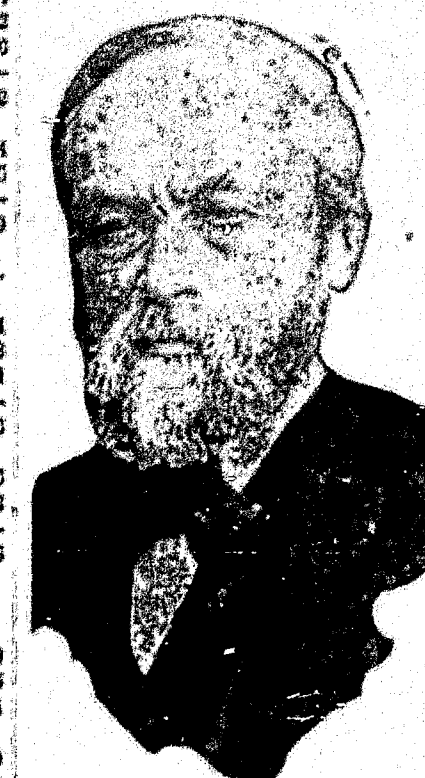

The gubernatorial contest is still in doubt, Governor Pothier, Rep., and Theodore F. Green, Dem., running a close race.

The general assembly is expected to be Democratic, and the election of two Democrats, Congressman G. F. O'Shaughnessy and Peter G. Gerry, and one Republican, Ambrose Kennedy, is believed to be assured. Although there is doubt about the governorship the election of the other general officers on the Republican ticket is considered a certainty.

IN THE NUTMEG STATE

Wilson a Winner as Well as Present Democratic Governor

New Haven, Nov. 6.—The indications are that Connecticut has given Wilson and Marshall seven votes in the electoral college. Wilson has 15,073 votes, Taft 55,052, Roosevelt 21,913.

SIMEON E. BALDWIN

The indications are that Governor Baldwin, Dem., has been re-elected by about 2000 plurality and that the Democrats have elected four out of five congressmen.

IN WILSON'S HOME STATE

Democrat Will Be Governor When President-elect Steps Out

Newark, N. J., Nov. 6.—Meager returns from widely scattered precincts indicate that Wilson has carried his own state of New Jersey by a safe plurality.

A long ballot and a record vote retarded the count.

A Democrat will succeed Wilson as governor of New Jersey.

Democrats elected four of six state senators, thereby displacing a Republican majority of one with a similar Democratic majority, which will elect Wilson's successor as governor.

IN PENNSYLVANIA

All Three Candidates Are Running Very Close Together

Philadelphia, Nov. 6.—Incomplete returns make it impossible to definitely state the presidential winner in Pennsylvania, as Taft and Roosevelt ran a neck-and-neck race, with Wilson not far behind them.

The big Wilson vote, which was in keeping with the Democratic sweep throughout the country, was the surprise of the voting.

Pre-election indications were that a great part of the vote would go to Roosevelt, but the polls disclosed that the Democratic ticket polled the solid party strength.

ROOSEVELT IN LEAD

Citizens of Illinois Hailed to the Bull Moose Banner

Chicago, Nov. 6.—Roosevelt apparently swept Illinois, according to returns received thus far.

Judge Danne, Dem., of Chicago, appears to have won the gubernatorial fight; Foss, Rep., second, and Danne, Rep., third.

Illinois seems to have given the largest plurality of any Roosevelt state. It is estimated at 100,000.

125,000 PLURALITY

Estimated figures by which Wilson will carry New York State

Columbus, O., Nov. 6.—It is believed Wilson has carried Ohio by a plurality of perhaps 125,000 and that the Democrats will carry the state. For governor 115 precincts

believe that the Democrats have elected their state ticket complete and elected their eighteen out of twenty-one old congressional districts and probably added one or two.

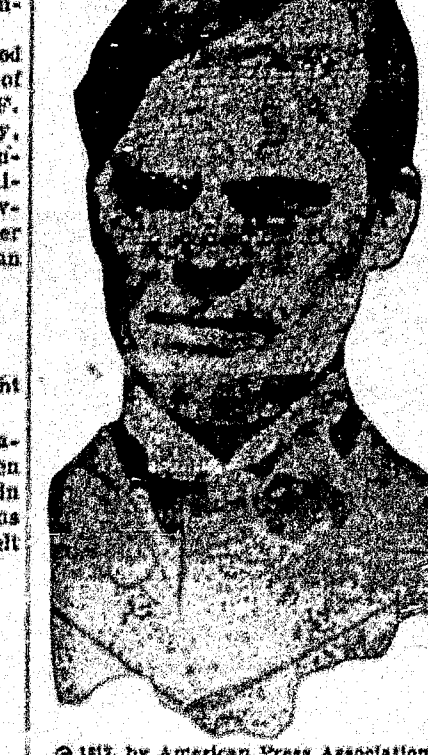

WILSON CARRIES NEW YORK

Sulzer Also Wins Over Republicans and Progressives

New York, Nov. 6.—New York state was swept by the Democrats. Not within its history has the victory been so overwhelming. Wilson will get its forty-five electoral votes, while Congressman Sulzer, the Democratic nominee for governor, will poll up a plurality of something like 100,000.

Wilson by 60,000

Little Rock, Nov. 6.—Wilson carried Arkansas by about 60,000 majority. All Democratic congressional nominees were elected.

WILLIAM SULZER

Returns from 2275 election districts outside of New York city give Taft 244,931, Wilson 267,710, Roosevelt 155,040. These same districts in 1908 gave Taft 439,111, Bryan 294,763.

Although Wilson had above 60,000 more votes than Taft in New York city, it is probable that Taft will lead in the state. Roosevelt will receive over 430,000 votes, an unprecedented achievement for a party formed within ninety days before election. The Taft machine concentrated its strength in the up-state counties, and in this way it saved itself from becoming a third party in the state.

Hedges' vote for governor will be greater than Strauss' by many thousands. Utica, the home of the late Vice President Sherman, went for Wilson, with Taft second, Roosevelt third.

The next state legislature will be Democratic.

John Mason, secretary of the Democratic state committee, issued the following statement:

"Wilson has carried New York state by 200,000. Sulzer carries the state also by the same figures. The next congress will be Democratic, while the state senate and assembly will also be Democratic."

"Sulzer came down the state to the borders of New York city with a majority of 49,000. Taft and Hedges led up the state, but when they reached the city there was a slump, and Roosevelt and Strauss bent them in the big city."

Maryland Conceded to Wilson

Baltimore, Nov. 6.—Returns are slow in coming in, but the Baltimore Star, (Rep.) concedes the state to Wilson.

Because of presidential electors and members of congress being voted for alone, interest has been unusually keen and the campaign a sharp one.

Democrats Sweep Missouri

St. Louis, Nov. 6.—Scattering and incomplete returns indicate that Wilson has carried the state by 10,000 to 20,000. Returns on the legislature indicate both the senate and house will be controlled by Democrats.

Kentucky Is For Wilson

Louisville, Nov. 6.—Governor Wilson apparently has swept Kentucky. His plurality exceeds 50,000. The Progressive vote was remarkable, Roosevelt being within 200 votes of Wilson in the fifth district.

Nebraska's Choice

Omaha, Nov. 6.—Returns received from scattering precincts over the state, show a clear plurality for Wilson, who will probably have the electoral vote by a safe plurality.

Wilson by 100,000

Jackson, Miss., Nov. 6.—The Democratic majority in Mississippi is estimated at 105,000. All the Democratic congressional nominees are elected by large majorities.

Returns from Texas

Dallas, Tex., Nov. 6.—Returns indicate that Wilson has carried Texas by 175,000. The vote for Taft and Roosevelt is nearly evenly divided.

Celebrate Estimate

Denver, Nov. 6.—With an estimated vote of 275,000, Colorado is expected to give Wilson 100,000, Taft 75,000, Roosevelt 75,000.

Michigan Conceded to Roosevelt

Detroit, Nov. 6.—It is conceded that Roosevelt will carry the state. For governor 115 precincts

slow Musselblum, Rep., 7184; Ferguson, Dem., 9181; Watkins, Prog., 713.

Florida Still With Solid South

Jacksonville, Fla., Nov. 6.—Although the vote is light and slow in reporting, Wilson will carry Florida by the usual Democratic majority. Probabilities are that every Democratic candidate has been elected.

Wilson in New Mexico

Albuquerque, N. M., Nov. 6.—Incomplete returns indicate that Wilson for president and Ferguson, Dem., for congressman, are leading by two to one in New Mexico.

How Minnesota Voted

St. Paul, Nov. 6.—It looks as if Wilson had won in Minnesota. Governor Eberhardt, Republican candidate for re-election, is leading the state ticket.

South Carolina's Vote

Columbia, S. C., Nov. 6.—Indications are that Wilson has carried South Carolina by a majority over both his opponents of more than 50,000.

Wilson by 60,000

Little Rock, Nov. 6.—Wilson carried Arkansas by about 60,000 majority. All Democratic congressional nominees were elected.

Wilson by 30,000

Atlanta, Nov. 6.—Incomplete returns give an indicated majority for Wilson of 30,000. Two counties are credited to Roosevelt.

Roosevelt Will Carry Iowa

Des Moines, Nov. 6.—Estimates on the returns indicate that Roosevelt will have an estimated majority of 4150 over Wilson.

Louisiana Stays Democratic

Baton Rouge, Nov. 6.—Louisiana has been carried for Wilson by the usual Democratic majority.

"Uncle Joe" Turned Down?

Danville, Ill., Nov. 6.—Meagre returns indicate the defeat of former Speaker Cannon by Frank T. O'Hair by 1200 plurality in the Eighteenth district.

"Great Cause Has Triumphed"

Princeton, N. J., Nov. 6.—Responding to a telegram from the national Democratic chairman indicating that Wilson undoubtedly was elected, the Democratic candidate sent a message to Mr. McCombs as follows:

"I deeply appreciate your telegram and wish to extend to you and the members of the campaign committee my warm congratulations on the part you have played in the organization and conduct of a campaign fought out upon essential issues."

"A great cause has triumphed. Every Democrat, every true Progressive, of whatever alliance, must now lend his full force and enthusiasm to the fulfillment of the people's hope, the establishment of the people's rights, so that justice and progress may go hand in hand."

This was Governor Wilson's first utterance of a public character following his acceptance of the reports that he had been elected.

Roosevelt Congratulates Wilson

Oyster Bay, N. Y., Nov. 6.—Theodore Roosevelt made the following statement:

"The American people, by a great plurality, have decided in favor of Mr. Wilson and the Democratic party. Like all good citizens I accept the result with entire good humor and contentment."

"As for the Progressive cause, I can only repeat what I have already so many times said: the fate of the leader for the time being is of little consequence, but the cause itself must in the end triumph, for its triumph is essential to the wellbeing of the American people."

About the same time he issued this statement, Roosevelt sent the following telegram to Governor Wilson:

"The American people, by a great plurality, have conferred upon you the highest honor in their gift. I congratulate you thereon."

Taft Cheerful In Defeat

Cincinnati, Nov. 6.—In the same house where he heard the news of his victory over W. J. Bryan four years ago, President Taft last night read the bulletin that told the story of the election.

The president was cheerful and smiling and apparently under less strain than other members of the family dinner party at the home of his brother, C. P. Taft.

President Taft received news of his defeat shortly before dinner. A telephone office was set up in the rooms of the mansion and as soon as the wires were opened at 6 o'clock the bulletin of Wilson's election and the Democratic landslide began pouring over the wires in rapid succession.

Foss Feels Grateful

Boston, Nov. 6.—Governor Foss last night issued the following statement:

"Wilson's splendid vote in the New England states is highly gratifying. Massachusetts has endorsed the Democratic record of the past two years in this state, and our program for the coming year."

"For my own part I am deeply grateful to the people of Massachusetts for the remarkable approval they have given to my two administrations."
